

Thomas Turner Reserve

Too good not to have your say

Cr Mark Basham JP
Councillor for Northfield Ward
City of Port Adelaide Enfield

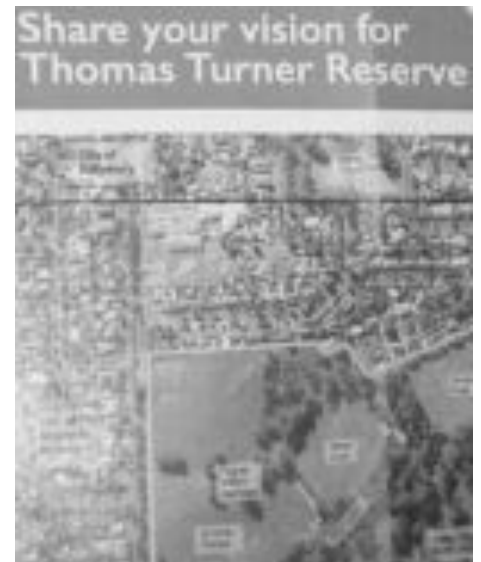

former Geraldine Street resident

Doing it right this time!

I am passionate about keeping Thomas Turner Reserve as both a passive reserve for local residents, and an active reserve for amateur soccer, cricket and golf.

But there are issues, and opportunities, for improvement and that is why I called for this Masterplan again, so local residents who use this reserve can help shape it for many years to come - don't miss your chance to tell Council what you want here.

Having been the Councillor leading the opposition in Council to both the 1994 proposed land sell off for housing and the ill-conceived increase in the number of soccer fields in 2011, I understand residents' concerns.

How to have your say:

Council is consulting residents on the Thomas Turner Reserve Masterplan until December 2nd, further information and ways to have your say is here:

<http://www.portenf.sa.gov.au/page.aspx?u=2567>

and I also have a webpage dedicated to the Thomas Turner Reserve Masterplan at:

If you do not have internet access, call me and I will deliver a paper form to complete.
